Subject: Evening Draft Update
Date: Tuesday, August 29, 2017 4:24:00 PM
Attachments: [8-29-17 1700Update.draft.docx](#)

Sorry for the delay in transmitting this, we will be more timely on subsequent reports.

I had only a few tweaks. I had hoped that we would also have Louisiana NPL sites and a bit more descriptive info about the status but we need to launch this so I am flipping it to you.

Since Sam is on travel, let us know if we should launch it after you have had a chance to add your thoughts

Carl E. Edlund, Director
Superfund Division
EPA Region 6

Office: 214-665-6701
